

# IRONHORSE

## KITCHEN & BAR

The Ironhorse Kitchen+Bar was born of a desire to pay homage to the rich heritage and untapped potential of Downtown Minot. Nestled within the historic 21 East Central building, this establishment holds the echoes of its original occupant, the Minot Grocery Company. Its proximity to the rail lines made for efficient unloading of goods that would find their way to the shelves of local grocers, and eventually to the homes of Minot residents. When you hear the horn and rumble of a train passing by, think of it less as a nuisance but rather as a reminder of the vibrant history of Downtown Minot and the visionary individuals who recognized the promise it held, both then and now.
